2.02 Entire Contract

The Contract embodies the entire agreement between the parties with regard to the provision of the Deliverables and supersedes any prior understanding or agreement, collateral, oral or otherwise with respect to the provision of the Deliverables, existing between the parties at the Effective Date of the Contract.

2.03 Severability

If any term or condition of the Contract, or the application thereof to the parties or to any Persons or circumstances, is to any extent invalid or unenforceable, the remainder of the Contract, and the application of such term or condition to the parties, Persons or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby.

2.04 Failure to Enforce Not a Waiver

Any failure by the City to insist in one or more instances upon strict performance by the Supplier of any of the terms or conditions of the Contract shall not be construed as a waiver by the City of its right to require strict performance of any such terms or conditions, and the obligations of the Supplier with respect to such performance shall continue in full force and effect.

2.05 Changes by Written Amendment Only

Any changes to the Contract shall be by written amendment signed by the parties. No changes shall be effective or shall be carried out in the absence of such an amendment. Any such written changes shall be included in the definition of Contract.

2.06 Force Majeure

Neither party shall be liable for damages caused by delay or failure to perform its obligations under the Contract where such delay or failure is caused by an event beyond its reasonable control. The parties agree that an event shall not be considered beyond one’s reasonable control if a reasonable business person applying due diligence in the same or similar circumstances under the same or similar obligations as those contained in the Contract would have put in place contingency plans to either materially mitigate

or negate the effects of such event. Without limiting the generality of the foregoing, the parties agree that force majeure events shall include natural disasters and acts of war, insurrection and terrorism but shall not include shortages or delays relating to supplies or services. If a party seeks to excuse itself from its obligations under the Contract due to a force majeure event, that party shall immediately notify the other party of the delay or non-performance, the reason for such delay or non-performance and the anticipated period of delay or non-performance. If the anticipated or actual delay or non-performance exceeds fifteen (15) Business Days, the other party may immediately terminate the Contract by giving notice of termination and such termination shall be in addition to the other rights and remedies of the terminating party under the Contract, at law or in equity.

ARTICLE 3 – NATURE OF RELATIONSHIP BETWEEN CITY AND SUPPLIER

3.01 Supplier's Power to Contract

The Supplier represents and warrants that it has the full right and power to enter into the Contract and there is no agreement with any other Person which would in any way interfere with the rights of the City under the Contract.

The parties represent that their respective representatives have the authority to legally bind them to the extent permissible by the Requirements of Law.

The Supplier shall advise these individuals and entities of their obligations under the Contract and shall ensure their compliance with the applicable terms of the Contract. In addition to any other liabilities of the Supplier pursuant to the Contract or otherwise at law or in equity, the Supplier shall be liable for all damages, costs, expenses, losses, claims or actions arising from any breach of the Contract resulting from the actions of the above-mentioned individuals and entities. This paragraph shall survive the termination or expiry of the Contract.

3.06 No Subcontracting or Assignment

The Supplier shall not subcontract or assign the whole or any part of the Contract or any monies due under it without the prior written consent of the City. Such consent shall be in the sole discretion of the City and subject to the terms and conditions that may be imposed by the City. Without limiting the generality of the conditions which the City may require prior to consenting to the Supplier's use of a subcontractor, every contract entered into by the Supplier with a subcontractor shall adopt all of the terms and conditions of the Contract as far as applicable to those parts of the Deliverables provided by the subcontractor. Nothing contained in the Contract shall create a contractual relationship between any subcontractor or its directors, officers, employees, agents, partners, affiliates or volunteers and the City.

be free from defects in material, workmanship and design, suitable for the purposes intended, in compliance with all applicable specifications and free from liens or encumbrance on title; and furthermore that all Deliverables shall be provided in accordance with: (a) the Contract; (b) Industry Standards; and (c) Requirements of Law. If any of the Deliverables, in the opinion of the City, are inadequately provided or require corrections, the Supplier shall forthwith make the necessary corrections at its own expense as specified by the City in a rectification notice.

4.03 Health and Safety

Without limiting the generality of section 4.02, the Supplier warrants and agrees that it has complied with and will comply with, and ensure that any subcontractors comply with, *The Saskatchewan Employment Act (S-15.1)* and regulations, as amended, as well as any other applicable occupational health and safety laws, regulations and standards in relation to the performance of the Supplier's obligations under the Contract. The Deliverables will be suitably packed in such a manner as will ensure their safe transportation undamaged to their destination. The Deliverables will remain at the risk of the Supplier until the Deliverables are received by the City. Receipt of the Deliverables at the City's location does not constitute acceptance of the Deliverables by the City. The Deliverables are subject to the City's inspection and acceptance within a reasonable period of time after delivery. If any of the Deliverables, in the opinion of the City, are inadequately provided or require corrections, the Supplier shall make the necessary corrections at its own expense as specified by the City in a rectification notice.

4.05 Use and Access Restrictions

The Supplier acknowledges that unless it obtains specific written preauthorization from the City, any access to or use of the City property, technology or information that is not necessary for the performance of its contractual obligations with the City is strictly prohibited. The Supplier further acknowledges that the City may monitor the Supplier to ensure compliance with this paragraph. This paragraph is in addition to and shall not limit any other obligation or restriction placed upon the Supplier.

The City may, in writing, request changes to the Contract, which may include altering, adding to, or deleting any of the Deliverables. The Supplier shall comply with all reasonable City change requests and the performance of such request shall be in accordance with the terms and conditions of the Contract. If the Supplier is unable to comply with the change request, it shall promptly notify the City and provide

reasons for such non-compliance. In any event, any such change request shall not be effective until a written amendment reflecting the change has been executed by the parties.

4.08 Pricing for Requested Changes

Where a City change request includes an increase in the scope of the previously contemplated Deliverables, the City shall set out, in its change request, the proposed prices for the contemplated changes. Where the Rates in effect at the time of the change request (a) include pricing for the particular type of goods or services contemplated in the change request, the Supplier shall not unreasonably refuse to provide those goods or services at prices consistent with those Rates; or (b) are silent to the applicable price for the particular goods or services contemplated in the change request, the price shall be negotiated between the City and the Supplier within a reasonable period of time and in any event, such change request shall not become effective until a written amendment reflecting the change has been executed by the parties.

4.09 Performance by Specified Individuals Only

The Supplier agrees that to the extent that specific individuals are named in the Contract as being responsible for the provision of the Deliverables, only those individuals shall provide the Deliverables under the Contract. The Supplier shall not replace or substitute any of the individuals named in the Contract without the prior written approval of the City, which may not arbitrarily or unreasonably be withheld. Should the Supplier require the substitution or replacement of any of the individuals named in the Contract, it is understood and agreed that any proposed replacement must possess similar or greater qualifications than the individual named in the Contract. The Supplier shall not claim fees for any replacement individual greater than the Rates established under the Contract.

4.10 Time

Time is of the essence of the Contract.

4.11 Rights and Remedies Not Limited to Contract

The express rights and remedies of the City and obligations of the Supplier set out in the Contract are in addition to and shall not limit any other rights and remedies available to the City or any other obligations of the Supplier at law or in equity.

The City shall, subject to the Supplier's compliance with the provisions of the Contract, pay the Supplier for the Deliverables provided at the Rates established under the Contract.

The City may hold back payment or set off against payment if, in the opinion of the City acting reasonably, the Supplier has failed to comply with any requirements of the Contract.

5.03 No Expenses or Additional Charges

There shall be no other charges payable by the City under the Contract to the Supplier other than the Rates established under the Contract.

5.04 Payment of Taxes and Duties

Unless otherwise stated, the Supplier shall pay all applicable taxes, including excise taxes incurred by or on the Supplier's behalf with respect to the Contract.

5.05 Withholding Tax

The City shall withhold any applicable withholding tax from amounts due and owing to the Supplier under the Contract and shall remit it to the appropriate government in accordance with applicable tax laws. This paragraph shall survive any termination or expiry of the Contract.

5.06 Interest on Late Payment

If a payment is in arrears through no fault of the Supplier, the interest charged by the Supplier, if any, for any late payment shall not exceed the Bank of Canada's prime rate, in effect on the date that the payment went into arrears.

5.07 Document Retention and Audit

For seven (7) years after the Expiry Date or any date of termination of the Contract, the Supplier shall maintain all necessary records to substantiate (a) all charges and payments under the Contract and (b) that the Deliverables were provided in accordance with the Contract and with Requirements of Law. During the Term, and for seven (7) years after the expiry or termination of the Contract, the Supplier shall permit and assist the City in conducting audits of the operations of the Supplier to verify (a) and (b) above. The City shall provide the Supplier with at least ten (10) Business Days prior notice of its requirement for such audit. The Supplier's obligations under this paragraph shall survive any termination or expiry of the Contract.

ARTICLE 6 – CONFIDENTIALITY

6.01 Confidentiality and Promotion Restrictions

Any publicity or publications related to the Contract shall be at the sole discretion of the City. The City may, in its sole discretion, acknowledge the Deliverables provided by the Supplier in any such publicity or publication. The Supplier shall not make use of its association with the City without the prior written consent of the City. Without limiting the generality of this paragraph, the Supplier shall not, among other things, at any time directly or indirectly communicate with the media in relation to the Contract unless it has first obtained the express written authorization to do so by the City.

During and following the Term, the Supplier shall: (a) keep all City Confidential Information confidential and secure; (b) limit the disclosure of City Confidential Information to only those of its directors, officers, employees, agents, partners, affiliates, volunteers or subcontractors who have a need to know it for the purpose of providing the Deliverables and who have been specifically authorized to have such disclosure; (c) not directly or indirectly disclose, destroy, exploit or use any City Confidential Information (except for the purpose of providing the Deliverables, or except if required by order of a court or tribunal), without first obtaining: (i) the written consent of the City and (ii) in respect of any City Confidential Information about any third-party, the written consent of such third-party; (d) provide City Confidential Information to the City on demand; and (e) return all City Confidential Information to the City on or before the expiry or termination of the Contract, with no copy or portion kept by the Supplier.

6.03 Restrictions on Copying

6.04 Notice of Breach

The Supplier shall notify the City promptly upon the discovery of loss, unauthorized disclosure, unauthorized access or unauthorized use of City Confidential Information.

6.05 Injunctive and Other Relief

The Supplier acknowledges that breach of any provisions of this Article may cause irreparable harm to the City or to any third-party to whom the City owes a duty of confidence, and that the injury to the City or to any third-party may be difficult to calculate and inadequately compensable in damages. The Supplier agrees that the City is entitled to obtain injunctive relief (without proving any damage sustained by it or by any third-party) or any other remedy against any actual or potential breach of the provisions of this Article.

6.06 Notice and Protective Order

If the Supplier or any of its directors, officers, employees, agents, partners, affiliates, volunteers or subcontractors become legally compelled to disclose any City Confidential Information, the Supplier will provide the City with prompt notice to that effect in order to allow the City to seek one or more protective orders or other appropriate remedies to prevent or limit such disclosure, and it shall co-operate with the City and its legal counsel to the fullest extent. If such protective orders or other remedies are not obtained, the Supplier will disclose only that portion of City Confidential Information which the Supplier is legally compelled to disclose, only to such person or persons to which the Supplier is legally compelled to disclose, and the Supplier shall provide notice to each such recipient (in co-operation with legal counsel for the City) that such City Confidential Information is confidential and subject to non-disclosure on terms and conditions equal to those contained in the Contract and, if possible, shall obtain each recipient's written agreement to receive and use such City Confidential Information subject to those terms and conditions.

Furthermore, the Supplier agrees (a) to keep Records secure; (b) to provide Records to the City within seven (7) calendar days of being directed to do so by the City for any reason including an access request or privacy issue; (c) not to access any Personal Information unless the City determines, in its sole discretion, that access is permitted under LAFOIP and is necessary in order to provide the Deliverables; (d) not to directly or indirectly use, collect, disclose or destroy any Personal Information for any purposes that are not authorized by the City; (e) to ensure the security and integrity of Personal Information and keep it in a physically secure and separate location safe from loss, alteration, destruction or intermingling with other records and databases and to implement, use and maintain the most appropriate products, tools, measures and procedures to do so; (f) to restrict access to Personal Information to those of its directors, officers, employees, agents, partners, affiliates, volunteers or subcontractors who have a need to know it for the purpose of providing the Deliverables and who have been specifically authorized by a City representative to have such access for the purpose of providing the Deliverables; (g) to implement other specific security measures that in the reasonable opinion of the City would improve the adequacy and effectiveness of the Supplier's measures to ensure

the security and integrity of Personal Information and Records generally; and (h) that any confidential information supplied to the City may be disclosed by the City where it is obligated to do so under LAFOIP, by an order of a court or tribunal or pursuant to a legal proceeding and the provisions of this paragraph shall prevail over any inconsistent provisions in the Contract.
